**California State Association of Counties**  
(CSAC)

Join us at the historic downtown Crest Theater for an engaging afternoon of "talking trash." Come hear about the innovative efforts to reduce waste in California, including comprehensive recycling programs and efforts to develop state-of-the-art conversion technology facilities.

You are also invited for a reception where you can mix and mingle with colleagues, and close out the evening with a free screening of the award-winning documentary, *Trashed*, starring Jeremy Irons. The film delivers the critical message of our need to move beyond the landfilling of our waste.

**5:00 pm - Briefing on Conversion Technologies and Reception**

**5:30 pm - Opening Remarks**

**6:00 pm - Screening of *Trashed* (running time: 97 minutes)**

RSVP by Thursday, March 14 at [www.SoCalConversion.org](http://www.SoCalConversion.org); limited seating is available
